Dear Teacher, Principal or PTO Chair:

Here's a simple, easy fundraiser the kids will love! Because they're selling a product they love... Wikki Stix One-of-a-Kind Creatables!

**Easy:** because there are only three items to sell:

Wikki Stix Create-a-Card Kit  
Wikki Stix Party Favor Pak  
Wikki Stix for Rainy Day Play Kit

**Profitable:** because you receive 50% of the retail selling price....

**Successful:** because the kids are selling something they know and love!

**Rewards Teachers & the entire class:**

For each Participating Class, the Teacher will receive a Bulk Class Kit!

We will provide a catalog and order form for each participating child. You just tell us how many you will need, and where to send them. We will also need to know the time-frame for your program and the closing date.

Then, send us the orders, and we will ship the merchandise within 3 days. For every child who turns in an order, there will be a Wikki Stix *prize*, and if your class sells \$250 or more.... you will receive a *bulk pack* of Wikki Stix for your classroom!

There are no shipping charges to you at all.

Sincerely,

Kem Clark  
President  
The Wikki Stix Company
