STEM Haunted House Response Name:_____

1. How did you plan your haunted house?

2. What challenges did you have in the construction?

3. Were you (or your team) successful in creating your haunted house within the time limit? If you did not complete within the time limit, what would you do differently next time?

4. Poll your classmates (or teams) to see how many were successful or unsuccessful at the challenge.

_____ _____

SUCCESSFUL UNSUCCESSFUL

5. Graph the number of teams (or individuals) that were successful at the challenge or unsuccessful by coloring the corresponding number of boxes below:

Successful	Unsuccessful
